ESTATE BOTTLED

PRODUCT OF CHILE
D.O. MAULE VALLEY

From the heart of the Maule Valley, our family has produced single vineyard wines for over 300 years. Hand picked grapes, modern technology and environmentally sustainable practices are used to handcraft rich, elegant wines for you to enjoy now or cellar for a moderate amount of time.

Our robust Cabernet Sauvignon is rich ruby red with aromas of ripe fruit, like cassis, plums and berries. Flavours of mature cherry combine with spicy, smoky oak tones and a hint of vanilla. Full bodied with ripe tannins and delightful persistence on the palate. Accompany with red meats, aged cheeses and well seasoned pasta at 16-18°C.

Contains sulphites. Contains approx. 8 standard drinks

Produced and Estate bottled by
Viña Casas de Maule Ltda., Talca, Chile
Imported by Nuevo Mundo Trading Co. Ltd.,
15 Hawkestone Street, Wellington, New Zealand.
